

TAY DISTRICT SALMON FISHERIES BOARD

Personal declaration

As a member of the TDSFB I agree to be bound by the following seven principles:

Public Service

I have a duty to act first and foremost in the interest of TDSFB and its remit.

Respect

I will respect the dignity of fellow members of the board, of employees of the Board, and of members and employees of external organisation with which we interact. I commit to supporting a board and workplace free from bullying, harassment, victimisation, intimidation and behaviour that causes distress.

Confidentiality

I am required to treat discussions, documents, emails and other information in a confidential manner. I will always respect and comply with this. I understand the principles of General Data Protection Regulation.

Stewardship

I have a duty to consider issues on their merit and take account of the opinions of others. Even though I may disagree I will abide by the majority decision in order to maintain the public's trust and confidence in the integrity of TDSFB.

Selflessness

I will always make decisions in the interests of TDSFB and will never act to gain material benefit for myself, family, friends or outside organisations. I agree to submit myself to scrutiny in relation to my office with TDSFB.

Integrity

I will never place myself under any financial or other obligation to any individual or organisation that seek to influence me in the performance of my duties with TDSFB. I have a duty to consider issues on their merits, taking account of the views of others and ensure TDSFB makes appointments and awards contracts based on merit.

Honesty

I will declare all my private interests that relate to TDSFB and will take steps to resolve conflicts that arise in a way that protects TDSFB and the public interest.

I have read, understood, and agree to abide by "A Code of Good Practice for Scotland's District Salmon Fishery Boards" published by Fisheries Management Scotland [June 2019].
